Introduction

One of Bali's best kept secrets, Alila Manggis is a secluded, stylish seaside resort in Manggis, East Bali. Set amidst a coconut grove, the resort nestles between the sea and the majestic Mount Agung, Bali's most sacred mountain.

All rooms and suites face the ocean with clear views across the straits to Nusa Penida. A contemporary interpretation of traditional Balinese architecture is artfully combined with modern amenities to create a relaxed environment in harmony with its natural surroundings.

Location

Alila Manggis is situated within the regency of Karangasem, close to the village of Candidasa, and provides the perfect base from which to explore unspoiled East Bali. This area of the island is renowned for its spectacular beauty, where the steep rise from coast to mountain creates magical scenery. It is also the gateway to the dive islands of the East Coast, the mother temple of Besakih and the great water palaces and kingdoms of East Bali. Via the new Professor Ida Bagus Mantra road, Alila Manggis is just 1 hour and 30 minutes' drive from the international airport.
