Nico Moretti – Urban Provider/Cooking Passions Cooking School

Nico Moretti grew up in London, Canada where his father, Vito, opened the town’s first Italian restaurant, and where he developed a passion for food that has remained with him ever since. After ten years working as a chemical engineer in Australia, this passion led him to start his own cooking school, Cooking Passions, in 2002.

Running classes from their Leederville home, overlooking a Bali-inspired garden, Nico and his cooking school has been featured in Gourmet Traveller, the West Australian and Sunday Times newspapers, and in Scoop magazine. Nico has also appeared on ABC’s New Dimensions with George Negus and Channel Nine’s Postcards WA.

Nico and his wife, Belinda, have been escorting “small group” Cuisine & Culture tours since 2003. These journeys include: luxury gourmet retreats to Bali, Vietnam & Thailand; food & wine discovery tours to Italy, Spain, France and Tasmania; and weekend escapes to Margaret River in Western Australia.
